First Full Week Was Full of Fun!

Frequently Asked Questions at the Office

In Cases of Illness

My child is sick. How can I get their homework? First, if your child is home sick, it is best to let them rest, heal up and get back to school, the teachers can catch them up upon their return. To have homework collected please email your child's homeroom teacher. (Middle School TA teachers will gather all subjects). If you choose to pick up work for your child, please plan on picking it up after school. Remember that teachers are busy teaching during the day and will need to wait for their prep in order to gather work.

What Do I Do If...?

If my child is sick in the middle of the night/morning, what is the best way for me to notify the school? Please call the attendance line at 406-443-6571. This is a 24 hour line with voicemail that is checked each morning. Please leave a message.

At Montana City School we believe in the relationship between teachers, students and parents. If you have any questions regarding your child's education or their social circle at school please email your child's teacher. They would love to hear from you!

Mackenzie Ledesma -Once a Mustang, Always a Mustang!

Meet Montana City School's new kitchen manager, **Mackenzie Ledesma**. Mackenzie is a Montana City School alumni and loved every minute of her Montana City School experience! So much so, that 10 years later, she couldn't wait to work at MCS! She brings much experience and a positive attitude with it. As she (and her teammates: **Rosie, Adam and Athena**) makes subtle changes and gets to know the students and staff better the students all give them a big thumbs up! Mackenzie is very excited to be here and is open for any suggestions from parents, teachers and students on

how she can help make Montana City School's cafeteria be a positive, safe and healthy place! Welcome back Mackenzie!
