Middle School Students Show That Leadership Matters!

Record Turn Out for Student Council Election

Walking into the Middle School this week it was impossible not to notice the catchy and fun excitement radiating on the walls shouting, "VOTE FOR ME!". Middle School students aiming to take a spot on the 2025-26 Student Council.

Students that ran for Student Council had to make up a slogan, create and post posters, write a speech and give the speech in front of their entire class of students and teachers.

Middle School teachers are encouraged and proud of the number of 6th graders running for Student Council this year! **"Out of 48 6th graders, 14 chose to run for an elected position. At Least 10 others have asked to be a member of student council. In my whole time of doing student council, I've never had this many students be interested in making MCS a better place. Even after the speeches, the other students were extremely complimentary of how great all the speeches are and how hard it's going to be to decide! It's really a testament of the confidence and empathy these students have been instilled through past teachers!"** -Student Council Advisor, Miss McLaughlin

Great job to ALL of these awesome Mustangs for stepping up as Leaders!

Students will be voting for the leaders this afternoon and the winners will be announced at the end of the day! (stay tuned to Montana City School's Facebook page for results!)

Parking Lot Safety Reminders

- Please **slow down**
- Please do not enter the lower parking area by the lobby before or after school–this is **reserved for special needs students only**
- Please do not drive by paras or other adults who are standing in the crosswalks, **wait** until they are safely on the sidewalk
- Please model good behavior for our students by **walking only in the crosswalks**–not cutting across the parking lot or through traffic
- The parking lot is a **cell phone free zone**

Everyone is in a hurry–but safety is our top priority

Frequently Asked Questions at the Office

In Cases of Illness

My child is sick. How can I get their homework? First, if your child is home sick, it is best to let them rest, heal up and get back to school, the teachers can catch them up upon their return. To have homework collected please email your child's homeroom teacher. (Middle School TA teachers will gather all subjects). If you choose to pick up work for your child, please plan on picking it up after school. Remember that teachers are busy teaching during the day and will need to wait for their prep in order to gather work.

**What Do
I Do If...?**

If my child is sick in the middle of the night/morning, what is the best way for me to notify the school? Please call the attendance line at 406-443-6571. This is a 24 hour line with voicemail that is checked each morning. Please leave a message.

At Montana City School we believe in the relationship between teachers, students and parents. If you have any questions regarding your child's education or their social circle at school please email your child's teacher. They would love to hear from you!

Too Sick for School?
