Annual Student Council Convention

Montana City School Middle Schoolers show up BIG!

14 Montana City Middle School Student Council Representatives made their way to Great Falls this year to glean from the best of the best young leaders in the state. In total there were over 500 middle and high school students that attended!

It was a jam packed three days of motivational speakers that challenged these young student leaders. They're favorite speaker had the key phrase of "Own It" that encouraged kids to own their "monsters" and make the most of each day. Don't sit on screens and watch other kids living their "most" life. Students also spent time collaborating with other middle school students to see how they run and do things for their student council.

"Although the speakers and conference were amazing, my favorite part was getting to see these 14 wonderful kids grow in their independence, be motivated, and get closer together as a group.

The highlights are definitely the small moments and seeing how truly special these students are!"
Student Council Advisor, Miss McLaughlin
